

**ANDOR**

# Expansion Microscopy Webinar

---

## Webinar Speaker:

Pr. Paul Guichard Dept. of Cell Biology, Université de Genève.

## Virtual Demo Host:

Sébastien Bellow, PhD, Andor Technology EMEA MSD.

---

## Wednesday 3<sup>rd</sup> February 2021

### Session 1 Agenda (All times in UTC)

**10:00-11:00:** Webinar | Revealing the Nanoscale Organisation of the Cell Using Expansion Microscopy

**11:00-11:30:** Q&A

**11:30-12:30:** Dragonfly Live Demo | Exploring and Analysing Expanded Samples

### SESSION 1 REGISTRATION

### Session 2 Agenda (Same content as Session 1)

**16:00-17:00:** Webinar | Revealing the Nanoscale Organisation of the Cell Using Expansion Microscopy

**17:00-17:30:** Q&A

**17:30-18:30:** Dragonfly Live Demo | Exploring and Analysing Expanded Samples

### SESSION 2 REGISTRATION

---

Free registration open until Monday 1<sup>st</sup> February.
